Hi, Peter—

I'll try to get it through as an emergency order on the lead account since purchasing closed last week. They pretty much hate placing orders after closing because the feeling is that planning ahead should prevent things like this. So—we'll see if this works. It may not go through, though. Call if questions.

Hi Gary,

Can you put this order in for me if it is possible?

Thanks  
-Peter

Peter,

Attached is the quote you requested. Thanks so much!
